## 2007-2008 Application for Teaching Position

Dear Applicant:

Thank you for your interest in serving our school as a part of the teaching faculty. We are pleased that you want to be part of our mission to educate students in a Christ-centered environment.

We seek professionally trained, born-again Christians who are called to teach students and shape their character with Biblical values. Our faculty must demonstrate the attitude and actions of Jesus Christ in their personal and professional lives. Faculty members must have at least a Bachelor's degree to be considered for a teaching position. Additional professional qualifications are also required for continued (if not initial) employment and are evaluated on a case-by-case basis depending on the needs of our school. The starting salary for 2007-2008 is \$20,000. Additional compensation is paid based on advanced degrees and years of service. Unfortunately, we are not able to offer a health insurance plan.

Thank you again for your interest in our school. We look forward to receiving your completed packet and beginning the review process.

Sincerely,

Danny H. Young, Administrator
